

NOVA SCOTIA BIRD SOCIETY
Membership Application/Renewal Form – 2016

Your application for membership assumes that you have read and agreed to the waiver below. Subscriptions to Nova Scotia Birds run from January to December. Members joining or rejoining the society later in the year, i.e. after the 3rd issue of NS Birds was published, will receive membership status for the following membership year. **Please note that membership fees had to be adjusted to reflect increased cost for printing and shipping of NS Birds. With NS Birds available online to all our members you can opt out of receiving the printed copy of the magazine by mail for a reduced membership fee!**

Our magazine Nova Scotia Birds is produced by volunteers. We always look for editors, writers of essays and reports, photographers, proof readers, layout editors, and production helpers to get the next issue to our members. If you have an interest or skill that could improve our magazine please check here as we would love to see you getting involved.

We also plan to make the Bird Society more visible. Interested or skilled in working with the media or public? Please check here that we can find out what you have in mind.

Interested in conservation of wildlife and its habitat? Please check here and we will contact you if we need a helping hand or a voice in our conservation efforts.
